INTRODUCTION:

I. INTRODUCTION

Regatta LIONS RALLY is a traditional humanitarian social event of Lions Club Konjice and District 129 Slovenia, which will in 2017 undergo a jubilee of 11th iteration. The organizer of this event is trying to create a pleasant 3-day long peaceful and relaxing socializing event in the environment of Middle Dalmatia.

Humanitarian purpose of the project »**Lions Rally**« is raising funds for the participation of children in an international project »**Mirno more/Friedensflotte/Peacefleet**«. In 2017 we will raise funds for the participation of up to 2 teams on an active sailing boat holiday with up to 12 children (children with special needs and children from socially weak environments). More about the project can be found on the websites:

- <http://www.mirnomore.org/mirno-more/friedensflotte/#>

In cooperation with Lions Clubs Slovenia - District 129, we will also include the Humanitarian funds raised by the race in the *project "Comprehensive Early Intervention for Visually Impaired Children from Birth to 6 Years of Age in Slovenia."*

The regatta will be held between the 31st of May and the 3rd of June 2017, starting in Marina Hramina, Murter. For the regatta 2017 we booked a vessel BAVARIA 46 CRUISER – find more about it on:
