## INTRODUCTION:

### I. INTRODUCTION

Regatta LIONS RALLY is a traditional humanitarian social event of Lions Club Konjice and District 129 Slovenia, which will in 2020 undergo a jubilee of 11<sup>th</sup> iteration. The organizer of this event is trying to create a pleasant 3-day long peaceful and relaxing socializing event in the environment of Middle Dalmatia.

Humanitarian purpose of the project »**Lions Rally**« is raising funds for the participation of children in an international project »**Mirno more/Friedensflotte/Peacefleet**«. In 2020 we will raise funds for the participation of up to 2 teams on an active sailing boat holiday with up to 12 children (children with special needs and children from socially weak environments). More about the project can be found on the websites:

- <http://www.mirnomore.org/mirno-more/friedensflotte/#>

The regatta will be held between the 27<sup>st</sup> of May and the 30<sup>st</sup> of May 2020, starting in Marina Hramina, Murter. For the regatta 2020 we booked a vessel BAVARIA 46 CRUISER – find more about it on:
